BOV

EFFERVESCENT TABLET TUBES

Designed to help protect moisture-sensitive effervescent tablets and supplements.

DIAMETER

Ø28 / Ø38 / Ø40 mm

POPULAR SIZES

Ø28 x96 mm / Ø28x138 mm / Ø38 x138 mm

MOISTURE PROTECTION

Desiccant closure options help maintain product stability.

DECORATION

Up to 8-color offset printing

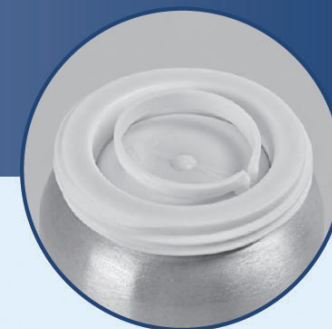

IDEAL FOR

- Effervescent tablets
- Vitamins
- Electrolytes
- Functional supplements

CAPSULE & TABLET CONTAINERS

Versatile aluminum packaging with flexible closure solutions for solid-dose products.

DIAMETER

Ø53 / Ø65 mm

HEIGHT

110–200 mm

CLOSURE OPTIONS

Aluminum foil peel-off cap
Tamper-evident plastic cap
Aluminum screw lid

IDEAL FOR

- Capsules
- Tablets
- Vitamins
- Dietary supplements

ALUMINUM CONTAINERS FOR POWDERS

Wide-mouth packaging designed for convenient scooping, filling and everyday use.

CAPACITY

Large formats available
Up to 3500 ml.

CLOSURE

Aluminum screw lid

ACCESSORY OPTIONS

Stainless-steel measuring scoop available.

IDEAL FOR

- Protein powders
- Nutritional powders
- Meal replacements
- Sports nutrition

ALUMINUM BOTTLES FOR ORAL LIQUIDS

Compact, lightweight aluminum bottles
for liquid nutraceuticals and OTC products.

DIAMETER

Ø35 / Ø45 mm

CAPACITY

50–150 mL

NECK

20 / 24 / 28 mm

CLOSURE OPTIONS

Child-resistant closure (CRC)
ROPP aluminum closure

IDEAL FOR

- Functional drinks
- Liquid supplements
- OTC products

**ROPP ALUMINUM
CLOSURE**

**CHILD-RESISTANT
CLOSURE (CRC)**

ALUMINUM SAMPLING BOTTLE

Secure packaging for sampling,
storage and transport of sensitive liquids.

CAPACITY

50 mL–35 L

INTERNAL NECK

Ø32 / Ø45mm

CLOSURE

PP screw cap with tamper-evident collar
PE plug with pull ring.

IDEAL FOR

- Bulk APIs
- Nutraceutical Ingredients
- Vitamins and Probiotics
- Natural Extracts

ANODIZED ALUMINUM CONTAINERS

Precision-crafted packaging for premium nutraceutical and wellness brands.

FOOD-GRADE ANODIZING

Premium Surface Finish

Custom Shapes & Structures

Customizable diameter, height, and shape

PREMIUM DECORATION

Screen Printing • Laser Marking

IDEAL FOR

- Premium Supplements
- Wellness Formulas
- High-End Nutrition

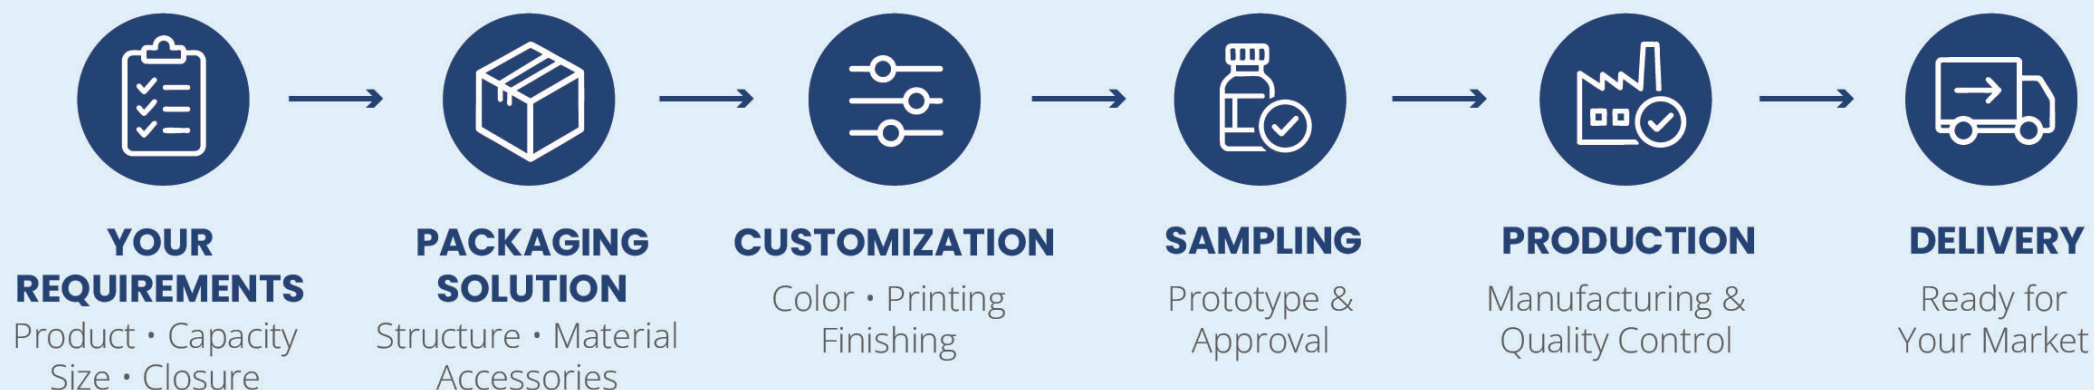

PRODUCT APPLICATIONS

Aluminum packaging solutions designed around real-world products and market needs.

FROM CONCEPT TO PACKAGING

Flexible aluminum packaging solutions
developed around your product requirements.

FOOD-GRADE SOLUTIONS

Packaging developed for health
and nutrition applications.

CUSTOM DEVELOPMENT

Flexible dimensions, structures
and closures.

QUALITY CONTROL

Consistent manufacturing from
sampling to production.

ONE-STOP SUPPORT

From packaging concepts to
finished aluminum containers.
